

Community IMPACT

Improving the health of our at-risk and vulnerable community members.

Winter Report 2025/26

Gratitude at the Heart of Healing

As we reflect on the past year at Holland Hospital, one word stands out: **Gratitude.** We recognize the generosity, compassion, and unwavering support of our community. We honor those who entrusted us with their care, and we acknowledge every gift that enabled us to deliver exceptional treatment, comfort, and hope to thousands of patients and families along the lakeshore.

Because of you, we close this calendar year on solid ground. Your financial contributions not only strengthen our mission—they energize our entire team. From tribute gifts to donations that spark innovation, giving to Holland Hospital directly enhances the health of our most vulnerable neighbors and ensures that everyone in our region can access the high-quality care they deserve.

In this year's annual appeal, please note two additional departments to support: Boven Birth Center and Behavioral Health Services. Two departments that make a world of difference in our community.

Thank you for caring, for giving, and for standing with us as we continue to improve the health of the communities we serve with hope, respect, compassion, and dignity.

30 Years of Giving

We are incredibly grateful to Jack and Mary Siebers for their 30 years of giving to Holland Hospital! Mary's most recent gift supports Holland Hospital's School Nurse Program.

"Jack and I are excited to dive into another decade of financial support for Holland Hospital. It is the care both within Holland Hospital and in the places outside the hospital,

such as the School Nurse Program, that blesses our community. Long ago as a Holland Hospital employee, I saw the pride among our countless volunteers who shared their gifts of time and talent because this was THEIR hospital! That kind of dedication and excellence was always apparent among the staff as well.

As we visit the hospital today, we see those same characteristics among volunteers and staff because, along with the patients, we treasure this place we call our own.

Cheers to the years behind us and to the ones ahead!"

- Mary Siebers, Holland Hospital Volunteer Services Director from 1990-2009

Community Safety Net

When Natalia immigrated to the U.S., she spoke limited English and had no local support. Her children needed healthcare, and she found hope at Holland Community Health Center (HCHC). There, she was welcomed with compassion and care. The staff helped her navigate her son's autism diagnosis, empowered her to advocate for him, and connected her to vital resources.

Soon after, Natalia began receiving primary care herself, along with counseling from a medical social worker. What started as a visit for her child became a lifeline for the entire family. Today, they are thriving members of our community—thanks to the wraparound care provided by HCHC.

Big Red Classic Foundation raises **\$30,000** for Breast Care Fund with Golf & Fishing Tournament.

For the fifth year in a row, Big Red Classic Foundation's Women's Ta-Ta Tournament benefited the Breast Care Fund. New this year, they also hosted their first Swing Hard, Hope Harder Golf Outing.

This contribution brings the Big Red Classic Foundation's total to **\$103,000** since 2021.

"The Breast Care Fund makes an incredible difference for patients facing financial hardship. It is simple to access, fair, and free of bias--providing vital support when it's needed most and allowing patients to focus on their care instead of worrying about costs."

Alecia Jones,
Breast Health Patient Navigator

The Big Red Classic Foundation presented their donation for our Breast Care Fund on October 29, 2025.

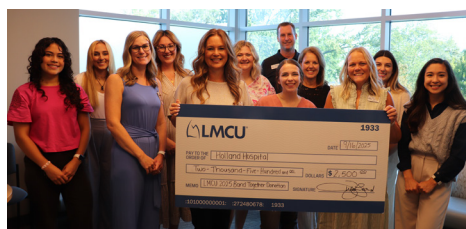

Thanks to LMCU for their donation of **\$2,500** to Boven Birth Center from their Band Together Campaign.

LMCU's Band Together Campaign exists to raise awareness and funds for pediatric care within our communities.

LMCU members and staff have raised **\$22,800** for Holland Hospital since 2016.

"The generosity of our community plays a vital role in helping families and their infants begin their journey toward a healthy new start. Each gift allows us to continue the calling to provide guidance and encouragement to our families, so their journey as a family is one built on confidence and connection. We are grateful for our donors and their willingness to walk alongside us in the important work we do every day." Nicole Huisman, Boven Birth Center Director

Thanks to Perrigo Company Charitable Foundation for their **\$10,000** grant awarded to Holland Community Health Center.

This brings their grant total to **\$80,800** since 2010.

"Donor support is vital to the mission of the Holland Community Health Center. We depend on these contributions to expand access to affordable, high-quality care for individuals and families in our community. This generosity enables us to remove barriers, promote wellness, and ensure dignified care remains available to all who need it."

Jessica Ritchie, Holland Community Health Center Program Manager

A Legacy of Care and Compassion

JoAnne Vander Velde Brooks was deeply devoted to her family, her faith, her friends, and the Holland community where she spent most of her life.

Believing in the vital role Holland Hospital plays in the well-being of the community, she named the hospital as one of the beneficiaries of her IRA.

After JoAnne's passing in 2019, an endowed fund was established at Holland Hospital in her memory to support the Holland Community Health Center—continuing her legacy of care and compassion for others.
