Holland Hospital has served the lakeshore region for over a century and stands out as one of the few independent hospitals in Michigan, providing nationally recognized quality, exceptional patient experiences and outstanding value. We believe that care for the lakeshore community should come from the lakeshore community.

Our 191-bed hospital offers a broad range of health care services, a collaborative culture and a cohesive medical staff of more than 450 physicians and 130 advanced practice providers representing 40 specialties and subspecialties.

The unparalleled experience of Michigan's West Coast awaits. Let's discuss the opportunities right for you.
